**Careers Programme 2022-2023**

## Introduction

This document lays out the programme for delivery for the careers programme at Judgemeanow Community College. It is the practical application of the intent set out in the CEAIG Policy, and also complements the Provider Access policy. It is an overview of what students can expect to experience as they progress through their studies.

As providers and opportunities change often, the careers programme will be regularly updated. The most up to date version will always be available on the website. Exact dates of each event or presentation will vary depending on the availability of the provider.
